Warleggan: A Novel Of 1792-1793 (Poldark Book 4)

Synopsis

Warleggan is the fourth novel in Winston Graham's sweeping series of Cornwall, Poldark. Cornwall 1792. Ross plunges into a highly speculative mining venture which threatens not only his family's financial security but also his turbulent marriage to Demelza. When Ross and Elizabeth's old attraction rekindles itself, Demelza retaliates by becoming dangerously involved with a handsome Scottish cavalry officer. With bankruptcy an increasingly real possibility, the Poldarks seem to be facing disaster on all fronts. 'From the incomparable Winston Graham . . . who has everything that everyone else has, then a whole lot more' Guardian Warleggan is followed by the fifth book in this bestselling series, The Black Moon.

Customer Reviews

Starts off very happily indeed but disaster, tragedy, anger, duplicity, heartbreak and much, much more follow. Ross behaves horribly to those he loves most, but in the end he does right by the one who has loved him most of all. All the characters from the previous novels are still there, even one you never expected to see again. Totally addicted to this series back in the 70's watching it on

Masterpiece Theatre Sunday nights with my mom and sisters. I eagerly gobbled up the first 4 books
 1945 - Ross Poldark
 1946 - Demelza
 1950 - Jeremy Poldark
 1953 - Warleggan
 Were I to have named them it would have been Poldark; Demelza; Warleggan; Elizabeth
 I stopped reading the series in 1977 as the novels had gotten so dark that I wasn't enjoying where the author was taking the characters.
 1973 - The Black Moon
 1976 - The Four Swans
 1977 - The Angry Tide
 I was poking in a book store on vacation and picked up 'The Twisted Sword' and enjoyed it tremendously (with one exception - I didn't care for the outcome for Jeremy at all). It was so good seeing Zacky Martin & Mrs. Zacky, Tholly Tregolis, Jud & Trudy Paynter - they hadn't changed at all. Dwight & Caroline Enys (and Horace), Verity & Andrew Blamey. And of course Demelza and Ross (still all too human). George Warleggan remains the same fascinating character. And Cornwall, Nampara (the Ross Poldark home) Wheal Grace and Wheal Leisure all so familiar 40 years later.
 1981 - The Stranger from the Sea
 1982 - The Miller's Dance
 1984 - The Loving Cup
 1990 - The Twisted Sword
 2002 - Bella Poldark
 I am not sure I will pick up the last book as from the the reviews I don't think I will enjoy it as much.
