Customer Reviews

Was up late and something just told me to stalk to find out if this book had been released yet. Immediately bought it and couldn't put it down. Secretly read it at work and had the silliest grin on my face all day! I know people thought I was crazy. LOL. I swear this author keeps making me lose my focus and I find myself getting lost in these characters! Seriously the only author I am giving my 5 star reviews to. These books are so freaking entertaining and just good! Absolutely love Shiloh and Amari, and I am cheering for them. Please do right by them!!! Ugh...Noelle is not who I thought she was. Needed part 4 ASAP. Just go on and drop that right quick!

I have literally sat here, and read this book all day, lol. I have read all of the books in each series, and they just keep getting better and better. I love the details, and the raw emotions that each book brings. I can't hardly wait for the next one!!!!

Desiree I started reading for the love of atl fr fr because the art work was so dope. Now after reading that, the Carter boys and now h&h I can honestly say you have a fan 4 life, I am hooked on these characters. I want to see good outcomes for some like the homie Amari and I want karma for the messy' s like Tyree. All in all I love this series and look forward to your future stories and will always show support. Please hurry with book 4 T.I.A :)

I HAVE BEEN STALKING AND DESIREE FACEBOOK WAITING FOR THIS BOOK TO COME OUT AND I TRULY BELIEVE THAT I WAS THE FIRST TO PURCHASE IT (HAHA).I KNEW THAT JEREMY WOULD BE FEELING CIARA'S NEW SONG.I NEVER CARED FOR NOELLE.IT WAS JUST SOMETHING ABOUT HER.BUT WHO SURPRISED ME THE MOST WAS TYREE.WHO CALLS PEOPLE FROM OUT OF TOWN TO JUMP ONE GIRL.I HOPE THE BROTHERS LIVE UP TO THE CARTER NAME AND GET HIM AND THE TWO COUSIN'S AND NATALIE.ASHLEY SHOWED THAT SHE HAD A LITTLE HEART.LO IS GOING TO GO CRAZY WHEN SHE FINDS OUT WHAT HAPPENED TO INDIA.PLEASE DONT MAKE ME WAIT TOO LONG FOR THE NEXT BOOK.

Desiree I swear I love all of your books! I can't wait for book 4 to be released. Omg and Tyree is so damn messy....ugh I wanna fight him seeing that he has hurt my boo Trell. Yes and I got my wish to get rid of Noelle. Team Shiloh and Amari all day. Joy is too much for me....she need to stay in her lane and out the way. I'm so happy for my boos Elijah and Jordyn!!!! ^• ^ awe you should've seen my face at their happy ending. I love those two together. I know book 4 is going to be banging...can't wait. You definitely deserve 10 stars on this series....love•❖•love•❖•love•❖•love the ATL series!!!!

Desiree I swear u never disappoint with these books!!!! I hope Amari kick they butts and her and Shiloh get married...Noelle talk to much telling Tyree of all people their business smh it's about to be some mess

Her books are phenomenal. If you don't like all the killings in urban fiction, than this definitely what you should read. I love this book and series because you can tell the author wasn't afraid to take risk. I wish I could give this 100 stars.

These series are the epitome of young southern craziness. I love how each character feels like

someone new, and the realities of self-hate being brought to light. Amari is someone who i can definitely relate to. And her happiness, is what I continue to root for. Keep writing!!
