# Sculptor: A Steamy Romance (Alpha Second Chances)

## Synopsis

She has no idea what she's in for...When a stunning goddess crashes my art studio, demanding I take on a project for her when I'm still knee-deep in my current one, the answer should have been a firm no. Instead, I got firm elsewhere, and the next thing I know, I'm ready to do everything in my power to claim the innocent rich girl and make her mine. She wants to make demands? I've got some of my own. But we both might have bitten off more than we can chew. \*\*SCULPTOR is a sexy standalone romance novella with a HEA (no cliffhanger). Lots of heat, alpha insta-love, and over-the-top naughty drama! \*\*Note: The ex-military bearded hero is obsessed with the untouched heroine and won't stop until he claims her! A fun, steamy ride.

## Customer Reviews

Stella and Derek were great in this book. Even though Derek hasn't seen his true love of his life, Stella comes in and gets Derek all hot for her as a grown woman. I hope what is written in the book isn't really how billionaires make their money but it makes a good read. Even though there is a very little present with Derek and Aaron (Stella's brother) but it's made known in a few parts in the book but more in the end. The sex isn't pages full..thank goodness. But Stella's crush turn love was so

endearing in the book. I loved Mama Olu and Aaron telling Stella not to marry for money but for love. I hope the author might write about Aaron and Celeste next. Even though this is a short read, there is a lot in the book. And I'm glad Harry Bechard got what was coming to him. I recommend it!!

The story was pretty good. If I'm being honest, if it were longer and the characters were more fleshed out, it could have been 5+ stars. Although it was nice and sexy, everything was just too quick to really enjoy. The bad guy could have been a huge part of the excitement, but that was done and over with in a few sentences. Derek was hot as hell and Stella was perfect for him, the chemistry between them was scorching. I would've enjoyed seeing more of them. But, that's what you get when you read novellas.

I needed this book. I needed a big, strong, ex-military man who takes one look at a beautiful, brown woman and FALLS. The fact that Derek is a reclusive artist, and Stella appears to be something that she's not (in a good way), gives off sparks from the beginning. The characters are fleshed out, the references to the Orisha were a wonderful touch, and if I could've gotten a bit more from the brother and best friend, I probably would have died happy on the spot. Oh well, will just read more by this author!

This story I truly loved. Stella had a crush on Derek her brother's best friend since childhood. Having met each other again as adults and realizing that what they feel for each other is love really sets the tone for this story. I love the fact that Derek is willing to do any and everything to protect the woman he loves. The characters and the plots kept you entertained and interested all the way to the end. Loved it.

This is a well developed story about childhood friends. They have not seen each other in years, both completely different now. I liked the characters Stella and Derek and enjoyed their interaction throughout the story. The drama and suspense were really good, loved the ending.

I am not really a fan of short reads, but I really enjoyed this one. This is my very first time reading a book by this author and since I enjoyed this book so much, I plan to check out more of her work.

This story moved as the writer intended for it to ,at a pace where you don't get a dull moment and you are smack dap right in the middle!This was a story of finding an old crush.This was good solid

read and sexy and steamy along the way.

The story was intriguing, an unexpected twist, and danger all wrap up in love for family and friends. Stella and Derek's role in the story was hot, steamy and very STEAMY HOT. His protectiveness and love of Stella was fierce. Hope there's a story line for Celeste and Aaron and Mama OLU.
