Customer Reviews

Awesome combination of Milly's books Starting with Bitten By Night :Tiger shifter Kiera wants nothing more then one of her bosses Royce. He makes her inner cat purr with need. What is a girl to do?"Pure animal attraction drove her. She wanted him. Had wanted him for months. Every look they shared, every time she inhaled his addictive scent had driven her desire further into the realm

of need."Royce was in no better shape than he would look at Kiera "And that body. All those curves. He wanted to shove his face between her thighs and lick her into screaming his name.'see how this hot sexy story works out.Next in this is Seduced By Day :Twin brothers Bryan and Brent Day partners with Royce want nothing more than his secretary Stephanie and Halloween is just the night for games. Royce gives Stephanie an invitation to a party the only warning : "No going near the east wing of the house." "Why not?" "His face lost all traces of the smile. "Those are the private quarters of Bryan and Brent when they reside there. It will be blocked off, but I'm letting you know in advance." "Now what's a girl to do with such a wonderful warning? Read this wonderful sexy story with hot pierced tattooed men and what kind of fun not listening to your boss can bring.A Hero's Pride;join Kayla and Ryan in this wonderfully written story of learning to get past how you see your shortcomings and disabilities that happen. Can Ryan get past it to claim the woman he wants or will he give up the one thing he wants?"sure he wanted to worship every part of her body like a gift from the gods. But he needed to relax so he could get to know her better. And he wanted to get to know her.

Bitten by NightAmazing Halloween Tail (spelling intended).Really enjoyed reading this hot tale about shifters during Halloween, Heat & Full Moon! It was the perfect paranormal storm. And now a bit about the story...Kiara is a tigress trapped in a woman's body. Royce, one of the three partners at the firm she works, is the wolf shifter to whom she is attracted. She is trying to fight it - he is a wolf, she is a cat - it is like oil and water, they don't mix. Royce finally decides to make his move during the full moon at the company Halloween party. Kiara has been told Royce can't make it, so she wears her costume from the previous year, Little Red Riding Hood. You remember the nursery rhyme, right? This one ends a little differently - check it out!Favorite Passages:- She, on the other hand, could only get away with shifting into her tigress and biting someone's ass if they weren't careful.- "I don't care if you're a feline, a wolf, a human, or a troll. I want to be with you."*~*~*~*Seduced by DayStephanie has the hots for her bosses.Yep both of them! Brent and Bryan Day are twins and partners with Royce Night at Night and Day.Which one to pick? Choices ... Choices ... Little does she know they want her too, both of them. All three of them are afraid to make the first move. Give this Halloween party themed story a try to see who goes first.Favorite passage:- Though it was a personal fantasy of hers to be with the inked and pierced sex gods, she didn't think most women felt that way.*~*~*~*A Hero's PrideSPICY Spanish Psychologist Heals HOT Wounded Warrior.
