Synopsis

Do you know the answers to these questions? What fantasy world did Emily and her sisters invent which influenced the writing of the novel? What does the novel have in common with modern-day soap operas? How and why does Brontë make Heathcliff so unpleasant and yet so attractive? How and why was Brontë influenced by Elizabethan dramas called Revenger's Tragedies? In what ways is the novel about social status? This is a detailed guide for anybody either studying or teaching Brontë's novel. It is tailored to help students write an excellent piece of coursework on the book, or assist them with studying for an exam. It could also be very useful for a teacher teaching the text in the classroom: it includes a long section which consists of important passages in the book, together with useful literary analysis of these quotations, followed by comprehension questions and discussion points.
