Road To Peace (Dogs Of Fire Book 6)

Synopsis

18+ for language and sexual content...Widowed young, Maisie Mann was left to raise her daughter alone. Now, nine years later, she thinks she might have life as a single mom masteredâ |until her car breaks down on the wrong side of town. All she requires is a little roadside assistance and sheâ ll be on her way. But when her help comes in the form of a gruff but alluring biker, it sparks emotions she hasnâ t experienced since her husband died. Connor â Hatchâ  Wallace is nobodyâ s hero. The Sergeant-at-Arms for the Dogs of Fire MC has a bitter past and has sworn off anyone threatening his independence. But fate has other ideas. Maisie has no intention of getting involved with a man like Hatch and, despite her overwhelming attraction to him, pushes him awayâ |until her life, and that of her child, are threatened.Is Maisieâ s only chance of survival in the hands of a badass biker? Will Hatch be able to put aside his past and protect a woman and her daughter at the risk of losing everything?

Other than the first book in the series, Road To Desire, this is the first Dogs Of Fire MC book I've read. However, I am definitely planning on changing that. I absolutely enjoyed reading Hatch and Maisie's story and I'm looking forward to reading the rest of this series. I'd like to note, though, that

this book is what I consider "MC-lite", this isn't a story about Outlaw Bikers, there is pretty much no talk about club politics or club whores or any of the gritty stuff you generally come to expect when reading Biker books. So if that's what you're looking for this might not be for you. Maisie Mann lost her husband Niall 9 years ago to cancer. Now alone she's raising her daughter and successfully running the business she and Niall created when they came over to America. When she finds herself stranded on the wrong side of town she gets help from what turns out to be one of the sexiest bikers she's ever seen. Connor â ^Hatchâ ™ Wallace isn't like anyone she's ever met. He's a take charge Alpha male who makes her feel things long forgotten. While determined in the past to stay far away from women like Maisie, Hatch can't help but feel the attraction to her every time he sees or hears about her. Unfortunately after what he thought was the start of something, Maisie blows him off. Taking the hint Hatch decides to forget about her. All it takes is one scared and desperate phone call from Maisie's daughter begging for Hatch's help, to find him thrust back in Maisie's life. Someone is trying to hurt her and her daughter and there is no way Hatch is going to let that happen. He'll have to convince Maisie that he'll be there for her and her daughter no matter what. I really loved Hatch.
