Customer Reviews

I received an ARC for an honest and fair review. This collection has everything on the naughty list, so many short stories that cover all those bad boys and naughty girls we love. There's stepbrothers, step dads, the Gardner to name a few. I have just written a review on three of the main stories that I've read in this book, and I must admit they are well written and a pleasure to read. Ashley has made it easy to locate the novels she's written within this collection. Hope you enjoy.

LAIN BLUE
DEVILS MC BOOK ONE

Ella is a reporter for POUT magazine, she writes puff pieces despite these sore to be an investigative reporter, so when she is sent to write an idealistic piece about a

motorcycle club Blue Devils, and especially its President Brock, she decides this is her chance to launch her career. Lain is Blue Devils VP, and he can't believe that Brock has asked a stuck up reporter to come and write about his club, and especially hates it that he has to baby sit her. When Brock fobs Ella off to Lain, they discover that sometimes things aren't what they seem, and there are other facts to take into account. Lain and Ella were both enjoyable characters, both with preconceived ideas of how life should and would go. Ashley has done a fantastic job of making the readers connect with both of them. I thoroughly enjoyed this book, and the bonus story just added to the awesome value of this book, but I must admit, for me I'm looking forward to the next installment in the Blue Devils MC series. SENTINEL DEVIL RIDERS MC Chrissy has had enough of her billionaire boyfriends abuse, and when she runs one night with barely the clothes on her back, she lives with the fear of him tracking her down.
